

New design Screen cage M type mills

Detail 1: Screen surface

Detail 2: Side view

Detail 3: Top view

The screen cage design for the M type Mills has been updated.

Advantages:

- Screen clamp strips obsolete.
- Effective screen surface increased.
- Exchanging of Screen simplified.

Cost reduction:

- Screen easier to fabricate, thus cheaper.
- Screen exchange is faster, thus less down time.

The new screen cage is fully interchangeable with existing screen cages and can be supplied in either steel or stainless steel

For an offer, or additional information, please do not hesitate to contact our office.
